MUST "C" TV

The networks are counting on *Cybill* to bring in major ratings for May sweeps.

On **NBC**, *Cybill* will star in a Made-for-TV Movie about Martha Stewart. It will cover the rise of Martha's domestic empire; the controversy surrounding her insider trading fiasco; and Martha's reputation for being – difficult. The movie is titled *Martha, Inc.* and it will air on May 19 – 9PM (eastern time). For more information about it log onto:

It features a recent MSNBC report (Windows Media Player required) about the movie and the similarities between *Cybill* and Martha Stewart.

On **ABC**, *Cybill* joins John Ritter and Katey Seagal for a two-part season finale of **8 Simple Rules... For Dating My Teenage**

Daughter. *Cybill* plays Maggie, Cate's (Katey Seagal) sister. The first episode airs on Tuesday, May 13 at 8PM (eastern time). The second episode airs on Tuesday, May 20th. The following description of the two episodes is courtesy of the <http://8simplerules.tvheaven.com> website.

Episode 27 - Title: *Sort of an Officer and a Gentleman (Season Finale Part 1)*
Synopsis: Having learned that her sister, Maggie (*Cybill* Shepherd), is having marital problems, Cate is nevertheless not too thrilled when Paul invites Maggie to stay at the house -- the sisters have a long history of sibling rivalry. Meanwhile, Paul and Cate are impressed with how mature Bridget has become after they agreed to let her go out with neighbor Donny Doyle (Thad Luckinbill), who is home from the Naval Academy; and Bridget and Kerry wonder if Kyle has ulterior motives when he befriends Rory.

Episode 28 - Title: *Sort of an Officer and a Gentleman (Season Finale Part 2)*
Synopsis: The sibling rivalry between Cate and Maggie (*Cybill* Shepherd) comes to a boiling point when Maggie gets a sexy, new makeover and gives Bridget a water bra as a gift. Meanwhile tensions between the Hennessy sisters mount when Kerry and Kyle begin dating, while Bridget's popularity takes a nosedive after she dissed her friends for Donny (Thad Luckinbill, J.T. Hellstrom on *The Young and the Restless*); and Paul becomes concerned when he finds an empty pregnancy test kit.

This is a great showcase for *Cybill*. Lets hope there will be another role she will play in theatres near you (and me, too).
